

The checklist educators completed on Tuesday is based on the meeting indicators for Element 6.1.1. If all practices are not embedded then educators are not at the meeting standard. Use the checklist to identify any practice or knowledge gaps:

- Teach/coach those educators who have answered with a 'T'
- Talk with educators who have answered with a 'K' to find out why they don't always do that practice
- Make sure practice is truly embedded if they have answered with an 'E'

Plan

Do you need any new knowledge to be able to teach your educators? If yes, where will you get this from? eg what guides will you look at, who will you speak to? Could processes be improved so educators can always embed practice?

Who are you going to teach/coach and/or What processes will you review?

When are you going to teach/coach them and/ or

When are you going to review the processes?

How are you going to teach/coach eg demonstration, role model, provision of resources, staff meeting etc and or

How are you going to review the processes eg observation, critical reflection, discussion with educators and management etc

Please note over the next three weeks we will be looking at Standard 6.1. Do you have any questions about 6.1.1, 6.1.2 and 6.1.3? If so please email Matt matt@centresupport.com.au and we will try to include the answers in our weekly email on this page.

Week 3, 10 to 14 February 2020 - 6.1.3 Families are supported

Analysis of Centre Support. Why are you doing this?

This table below will give your educators valuable feedback and show them exactly how their strengths, ideas, reflections and identified improvements write your services QIP. This section should take you no more than 20-30 minutes per room /group. Be honest when giving feedback and make sure you have the time to support your educators when you have identified an area for them to improve upon.

A completed Sample is below and a blank template for you to use is on the following pages.

Section	Comment
Goal	Doesn't set a goal, it is a statement about what is happening, there is no planning for a goal. Please use the 4 steps goal
(Page 1)	process on the right hand side. Let's organise a time to go through and complete it properly.
Brainstorm	The question isn't answered, they have completed what appears to be goals, the idea of this section is to tell me what
(Page 1)	you are currently doing, not what you want to do.
Checklist	Room leader did not complete. Too perfect, only two 'Ks' and everything else is Embedded, that is not how I saw the
(Page 2)	room on my visit, children crying to go in, no educator assisting the transition.
Personal Story	Page missing – please complete and hand in by Monday
(Page 3)	
Reg	Page missing – please complete and hand in by Monday

(Page 6)	
Policy review	Great suggestion re post box Sarah
(page 8)	Not signed by Maddie and Bek, a comment would be nice – please complete and hand in by Monday
Critical Reflection	Not completed properly, a total of 4 cannot equal 80%. Other program decisions need to be entered onto this sheet –
Group (page 9)	Let's organise a time to go through and complete it properly.

Use the information from the Critical Reflection on Page 5 right hand column (Step 2 Change Practice) to complete this section. We strongly suggest all educators complete their own Critical Reflection page so they can contribute to the QIP.

Use the bottom section from page 1 to provide feedback

Comment:

- The above QIP entry is off track and doesn't cover the element for the week. This fit's with another
- There are many negative practices that are identified that do not fit with the NQS i.e. stickers Educators need to really read the NQS Indicator and the checklist to see what the element is about.
- This is a critical reflection that should cause a change in practice, telling the parents it will be all good when the big kids go to school isn't reinsuring
- Change of practice should have been identified routines implemented, lesson plans implemented, more challenging activities for the older children, separating the groups even more, a better morning transition and training for educators to deal with the morning, starting off outside etc

Then use the personalise stories from page 3 to provide feedback

Comment:

- Great work Bek, don't forget to follow up with the parent to see if they need and further assistance.
- Not fully connected to the element Anna, but a very good practice, add example of a child in the practice so you are confident to talk to the assessor about your practice

Then use the QIP entry from page 7 to provide feedback

Comment:

Incredible work Bec, everything is covered, and it clearly shows how you are meeting the NQS element with your practices.
