

MONDAY TO FRIDAY 25 to 29 May 2020

The checklist educators completed on Monday, Tuesday and Wednesday is based on the exceeding indicators for Standard 2.1. Use the checklist to identify any practice or knowledge gaps:

- Teach/coach those educators who have answered with a 'T'
- Talk with educators who have answered with a 'K' to find out why they don't always do that practice
- Make sure practice is truly embedded if they have answered with an 'E'

Do you need any new knowledge to be able to teach your educators? If yes, where will you get this from? eg what guides will you look at, who will you speak to? Could processes be improved so educators can always embed practice?

Who are you going to teach/coach and/or What processes will you review?

When are you going to teach/coach them and/ or

When are you going to review the processes?

How are you going to teach/coach eg demonstration, role model, provision of resources, staff meeting etc and or

How are you going to review the processes eg observation, critical reflection, discussion with educators and management etc

Please note over the next three weeks we will be looking at the elements in Standard 3.2 Use. If you have any questions about these please email Matt <a href="matt@centresupport.com.au">matt@centresupport.com.au</a> and we will try to include the answers in our weekly email on this page.
