

Dear Families,

Please contact the Nominated Supervisor at any time if you need to have a private discussion about your child, our centre or our educators.

**Educators recognise that families are children's first and most influential teachers. They honour the histories, cultures, languages, traditions and child-rearing practices of families so they can better support children in their care. (EYLF and MTOP)**

NQS 6.2.1 The expertise of families is recognised and they share in decision making about their child's learning and wellbeing.
