We record what your child  
has eaten and how long they  
have slept for, please talk to  
us if you would like to know  
about your child's day. We  
like to share this information  
with you.

Please tell us information  
about the way you care for  
your child. This can include  
sleeping routines, special  
words and techniques. We  
will use this information to  
make your child's care  
familiar like home.
