

Dear Parents and Caregivers

Your Occupation

We welcome all parents to the centre to talk about their occupation or hobby. Everything parents do interest children and these talks are the best educational resources you can provide for the centre. After occupational discussions we use it in our programming and the ideas explored from parent talks can last for weeks.

Dear Parents and Caregivers

Your Home Culture

Your home culture is most welcomed in our centre; we would greatly appreciate if you were able to share with our centre aspects of your culture and family life. This would assist us to enrich the lives of all our families and children.

Dear Parents and Caregivers

Reading (especially good for grandparents)

Children love to be read to. If you or your parents have the time please contact educators to organise a day for reading.

Dear Parents and Caregivers

Useful Junk

We are always on the lookout for recyclable items for the rooms. Empty food containers, ribbons, wrapping paper, towel tubes (not toilet or egg or milk re-hygiene and allergy) paper or anything interesting from your work is much appreciated.
