

## Inclusion Development Fund Manager and Inclusion Agencies

The Department of Education and Training has contracted one national Inclusion Development Fund Manager (IDF Manager) and one Inclusion Agency (IA) for each jurisdiction to provide inclusion support for early childhood and child care (ECCC) services under the Inclusion Support Programme (ISP). A single IA is providing support for NSW and ACT.

ECCC services are encouraged to contact their local IA using the contact details below to learn more about the type of support available to them. More information about the ISP is available on the [department's website](#).
