

The checklist educators completed on Monday, Tuesday and Wednesday is based on the exceeding indicators for Standard 7.1. Use the checklist to identify any practice or knowledge gaps:

- Teach/coach those educators who have answered with a 'T'
- Talk with educators who have answered with a 'K' to find out why they don't always do that practice
- Make sure practice is truly embedded if they have answered with an 'E'

Plan	
	Do you need any new knowledge to be able to teach your educators? If yes, where will you get this from? eg what guides will you look at, who will you speak to? Could processes be improved so educators can always embed practice?
	Who are you going to teach/coach and/or What processes will you review?
	When are you going to teach/coach them and/ or When are you going to review the processes?
	How are you going to teach/coach eg demonstration, role model, provision of resources, staff meeting etc and or How are you going to review the processes eg observation, critical reflection, discussion with educators and management etc

Please note in the coming weeks we're looking at Elements in Standard 6.2 Collaborative Partnerships. If you have any questions about these Elements please email [matt@centresupport.com.au](mailto:matt@centresupport.com.au) and we will try to include the answers in our weekly email on this page.

**Week 36, 9 November to 13 November 2020- Standard 7.1, Governance**

**Practice Tip:** The '[First Nations Bedtime Stories Challenge](#)' runs from 16-20 November. During this week one film recounting an Indigenous story will be published each day. Supporting resources are free, including one for early childhood services. There is an optional fundraising challenge. The annual Challenge gives non-Indigenous Australians the opportunity to hear cultural stories from First Nations people, and ensures their stories, traditionally passed down through oral story-telling, are not lost.

The Challenge could support any NAIDOC Week (8-15 November Theme Always Was, Always Will Be) activities educators implement. Teaching Resources, downloadable posters and links to relevant websites can be found [here](#)

### Analysis of Centre Support - Part 2, comment and give feedback to your educators from the 3 sections

Use the checklist from  
page 2,3, 4

The checklist contains several sections with tables for recording observations. A red arrow points to the 'Quality of Learning Experiences' section, specifically to the 'Quality of Learning Experiences' table.

Then use the QIP entry  
from page 8

The QIP entry is dated Friday 13 February 2020. It includes a 'Quality of Learning Experiences' section with a table for recording observations. A red arrow points to the 'Quality of Learning Experiences' table.

**Last step – if no adjustments are required, copy educators’ input from their Centre Support’s weekly professional develop sheets directly into your QIP’s strength section and display QIP so all educators can see how their valuable input creates your QIP.**
