Management Systems

Week 21 – 18.7.22 Monday to Friday

This week we're reviewing information on the <u>ATO website</u> about changes to superannuation which commenced on 1 July 2022.

From 1 July 2022, employees can be eligible for super guarantee (SG), regardless of how much they earn. This is because the \$450 per month eligibility threshold for when SG is paid is being removed. You only need to pay super for workers under 18 when they work more than 30 hours in a week.

The SG rate will also increase from 10% to 10.5% on 1 July 2022. You must use the new rate to calculate super on payments made to employees on or after 1 July, even if some or all of the pay period is for work done before 1 July.
