Mr Jack asks if risk assessments for excursions and authorisations parents give for excursions need to say specific things. Do they?	Yes. These are outlined in Regs 101 and 102 – and in your Excursion Policy.	
Miss Hannah asks which Reg relates to children's safety when visitors are present. Please respond.	There's not a specific Reg. This comes under Section 170 of the Law 'Offence relating to unauthorised persons on education and care service premises' which says the approved provider and nominated supervisor ... must ensure that a person does not remain at the ... premises while children are there unless they're an 'authorised person' (this is defined in the section), or they're under the direct supervision of an educator or staff member.	
Miss Sue asks why Element 2.2.1 covers supervision AND risk management. Why do you think this is?	Eliminating or minimising risks to children includes looking at supervision practices to ensure these are effective in keeping children safe, and not contributing to or increasing the risk of harm to children.
